Commission elections on Friday

By David Harris

The lower halls have flowered; student commission elections are here.

Besides 22 candidates for ten offices, a referendum concerning the present plan for required assemblies will be voted upon by the student body when it goes to the polls Friday.

Purpose of the referendum is to see if the student body wants to continue the present plan of having to attend two-thirds of the nine required assemblies per year.

IF THE STUDENTS vote

against continuing the present plan, Student Commission President Darrell Bearson has promised that action will be taken to change it immediately.

Chief reason for the change is the poor attendance at assemblies important to the students but attended by only a small minority. This was the case Monday when the new candidates were introduced to the student body.

NOMINATION of the 22 candidates was made by members of the student commission Feb. 8.

Campaigning began last Friday afternoon and will cease Thurs-

day, the day before elections.

In the meantime, the lower hall is walled with campaign posters.

VOTING will be conducted from the box office Friday morning and afternoon.

Students must present their own activity tickets in order to be eligible to vote. No absentee balloting is allowed.

Change of officers will occur Monday at the regular commission meeting.

DEPARTING OFFICERS are: Bearson, president; Bruce Rhoades, vice-president; Mary Ann Pickart, secretary; and James

Andrzejek, treasurer. Retiring commissioners are: Gene Lundberg, administrative liaison; Judy Bauch, social; Dave Glazier, departmental; Roger Helgersen, athletic; Leah-Marie Ohnstad, publicity, and Marge Glover, religious.

CANDIDATES are:

President — Tip Schaper and Ken Landro.

Vice-president — Ron Cleveland and Clarence Crum.

Secretary — Becky Gerlach and Sharon Lang.

Treasurer — Diane Feuerhelm and Irvin Plitzuweit.

Departmental — Bob Cameron, Joe Fitzgerald and David Rislove. Social — Karen Aune and Roger Reupert.

Publicity — Virginia Adams, Margery Rand and Bob Slifka.

Religious — James Vinar and Ralph Ballinger.

Athletic — Jerry McCartney and Jim Sullivan.

Administrative liaison — Norm Johnson and DeWayne (Tobe) Tobias.

FOR CAMPAIGN statements of each candidate, see back page.

REMEMBER TO VOTE FRIDAY.

May banquet to honor 25 WSC alumni

Twenty-five outstanding graduates of Winona State College are to be honored at a centennial citation alumni dinner May 28, Miss Angelyn de Groot, Alumni Association secretary, has announced.

Reservations are now being accepted for the banquet.

Part of WSC's centennial celebration, the banquet will be in Richards Hall cafeteria.

DURING THE past month, a total of 95 new life memberships in the Alumni Association have been secured.

CONTRIBUTORS to the Alumni Cornerstone Campaign Fund include the following alumni: Nancy Sperbeck, Louise Ward Clifford, Mary Lois Chapel Bakken, John J. Fuller, George Tandeski and Ida Spalding Waldor.

Kathy Berg new Miss Snowflake

A Winona State freshman — blonde Kathy Berg of Rushford — was named Miss Snowflake of 1960 at the Winona Winter Carnival.

Placing the crown on her head was the 1959 Miss Snowflake, Kay Way, a senior at WSC.

Attendants were Cynthia Tweito, a WSC freshman, and Sandra Winner, a junior at the College of Saint Teresa.

Kathy plans to teach physical education in high school.

High school band director speaks

Robert Andrus, band director at Winona Senior High, discussed the music system there and some of the problems connected with being a music instructor at the February meeting of the Mason Music Club.

Rep. Quie speaks to LSA meeting

Rep. Al Quie spoke on Christian Government at an LSA supper meeting Feb. 14.

Dr. L. E. Brynestad will speak on Lutheran Doctrine at the Feb. 25 meeting at the Syrus Johnson home. A communion breakfast will be held March 2.

During February the club began meeting two days a week. These extra meetings concern Bible discussions at Central Lutheran Church Wednesdays at 7 p.m.

Air Force offers medical training for young women

The Air Force Medical Specialist Corps is now offering a program of special training for young women interested in a career in dietetics, occupational or physical therapy.

The Air Force will sponsor students for a 12-month dietetic internship, 12-month occupational physical therapist training, or senior college year occupational and physical therapist schooling.

TO QUALIFY for either the dietetic or 12-month occupational and physical therapist training, young women must possess a BA degree and have been accepted for one of the training programs at an approved institution.

IF ACCEPTED, trainees will be appointed 2Lt in the Air Force and paid full 2Lt pay, \$338.58 per month, while attending school. From this pay, the student will pay all expenses, including tuition.

At the successful completion of schooling, the student will be required to serve a minimum of two years at Air Force hospitals.

For further information, contact Capt. Mary A. Tonne, USAF Nurse & MSPC Selection Officer, Room 107-C, Federal Office Bldg., Mpls. 1, Minn.

Scientist to give Gideon Seymour lecture at 'U'

Detlev W. Bronk, noted American scientist and research administrator, will present the tenth Gideon Seymour memorial lecture at the University of Minnesota Sunday afternoon, April 3.

President of the Rockefeller Institute for Medical Research, New York, since 1953, Bronk, famed biophysicist and physiologist, served as president of Johns Hopkins university in Baltimore from 1948 to 1953. Chairman of the National Science foundation since 1956, he has held the presidency of the National Academy of Sciences since 1950. He headed the American Association for the Advancement of Science in 1952 and was chairman of the National Research Council from 1946 to 1950.

Free tickets to the lecture may be obtained by writing to the Gideon Seymour Memorial Lecture office, 223 Northrop Memorial auditorium, University of Minnesota, Minneapolis 14. Persons requesting tickets should state the number of tickets desired and enclose a stamped, self-addressed envelope. Requests should be postmarked no later than Saturday, March 26.

Established in 1954 in memory of the late executive editor (1944-54) of the Minneapolis Star and Tribune, the Seymour lectures bring to the University of Minnesota campus distinguished personalities in a wide variety of fields.

Religious Emphasis Week speaker to be Dr. Alton

Main speaker for Religious Emphasis Week — which starts Monday — will be Dr. Ralph T. Alton,

pastor of First Methodist Church of Appleton, Wis.

Dr. Alton will ask, "What Church Does God Attend?" at the 9:50 a.m. assembly Monday. He is sponsored by the Ministerial Association.

The assembly is open to the student body.

THE RELIGIOUS commission and the "Monitors" — representative clergy from the religious clubs on campus — will hold Monday morning chapel from 7:30 to 7:45 in the conference room of Richards Hall basement, sponsored successively by the LSA, Wesley Foundation and Canterbury Club.

Evening meetings will be held Monday, Tuesday and Wednesday from 7 to 8:30.

Discussion leaders, places and groups for these evening meetings are as follows:

Monday — Dr. Alton, room 327, Ministerial Association; the Rev. Joseph LaPlante, room 331, Newman Club, and the Rev. Robert Kant, room 212, Gamma Delta.

Tuesday — The Rev. Walter Wagner, room 212, Gamma Delta; Father Robert Sheehan, room 331, Newman Club, and Dr. L. E. Brynestad, room 327, Ministerial Association.

Wednesday — The Rev. Layton Jackson, room 327, Ministerial Association.

Coke hours in the Smog will follow each discussion at 8:30 p.m. Lunch will be served Monday by the Ministerial Association; Tuesday, Gamma Delta; Wednesday, Newman Club, and Thursday, religious commissioners.

In charge of the week's programming is Marjorie Glover. Coralyn Gerry is publicity chairman.

Dr. Talbot completes centennial history

The concluding chapter of Dr. Jean Talbot's centennial history of Winona State College was published last week.

Entitled "First State Normal School, 1860 — Winona State College, 1960," the four-part history will be published in book form about August.

THE LATEST chapter is "The College Grows Up." Chapter I

deals with "Foundations and Patterns for Public Education in Minnesota"; the second, "The Years of Growth and Expansion," and the third, "Change, Disaster, and Rebirth."

Dr. Talbot, coordinator of the upper division, has been on the college staff since 1925. She wrote the history as part of the college's current centennial celebration.

THIS IS A SCHOOLHOUSE? . . . Colonel Wainwright Purdy Three (Bruce McLean, left) seems rather confounded to find that U.S. Army building materials have been used to build the Tea house of the August Moon instead of a pentagon-shaped schoolhouse in the hilarious Wenonah Players' production. Tom Chandler was Sakini; John Davis, Captain Fishy and Joen Boultinghouse, Lotus Blossom.

Olive Tovson tells of African wedding

Africa is the source of the following letter, written by Miss Olive Tovson (WSC '57) to Miss Angelyn de Groot of the college staff.

Miss Tovson is currently teaching missionary children in the French Cameroons. She arrived in Africa in November 1958 for five years.

Last year she wrote a letter, published in the "Winonan," describing the African background. This year her subject is an African wedding, complete with several twists:

"**SAW MY FIRST African wedding** in N'Gaoundere. The bride and groom walked into the church for the regular Sunday morning service and took their places in the front pew just ahead of us (We were sitting so far up front just by chance; we didn't know that this would be a choice seat for the wedding!).

"The bride wore a princess style white gown with a flouncy white net veil (To tell the truth, it looked much like the mosquito net-

ting which hangs over my bed.). The groom had on a double breasted suit (black) and white gloves. The bride carried a bouquet of yellow roses. There were no attendants.

"**SPECIAL MUSIC** was furnished by friends of the bride. They sang several songs in Bulu. Since this reporter could not understand the language, the songs will forever remain unknown to the readers of this epic!

"The ceremony was performed after the French and Bulu sermons had been delivered. After the bride and groom had said their famous "oui" meaning yes, they "recessed out of the church."

"**THROUGHOUT** the service we had been distracted by various truck noises. Now the reason was apparent. Outside waiting for the bride and groom were four motor vehicles: A small grey French convertible in which the bride and groom were to ride (and this they did, sitting up on the back wall!); a huge truck filled with drums, accordions, and other African instruments, in which the musicians and other interested men rode; a smaller truck in which the women rode, especially those who sang at the wedding; the last car was the panel truck with the loud speaker on it . . . what this was for or what purpose this truck served, I do not know!

"**THIS MAN** is the postmaster in N'Gaoundere. He and his wife were just baptized at Christmas. They had been married in a civil ceremony a few years ago, but now, since they were Christians, they wanted the blessing of the church on their wedding. We were informed that they have two children, which added to the human interest of the story."

Publication crews may get credits

Beginning in the spring quarter, students working on the various college publications will be able to get credit for their labors — at a price.

The Press Club, composed of members of the *Winonan* and the *Wenonah* staffs, objected to the fact that credits toward graduation were no longer offered to publications staffs.

IN THE PAST, giving such credit has been customary, but this year it was decided that any activity not listed in the college bulletin would not deserve credit towards graduation.

So the Press Club proceeded to get Publications 220, 221 and 222 listed as a course available this spring, with the help of Dr. Harold Guthrie of the curriculum-specialization committee, Mr. Adolph Bremer, adviser to the *Winonan*, and Mr. Douglas Stenerson, adviser to the *Wenonah*.

Each two-credit course is available to students having prior approval of the advisers.

THE PRICE? The same as for any two-credit course — \$7.

'Comedy of Errors' to be spring play

Shakespeare's "Comedy of Errors" will be the spring production of the *Wenonah* Players, announced Miss Dorothy Magnus, director.

The cast is already rehearsing the comedy of mistaken identities, scheduled for presentation during the last week of March.

Exception taken to loyalty oath

To the editor:

In the last issue of the *Winonan* there appeared an editorial entitled "Furor over loan fund oath pointless." The writer evidently felt that the furor was pointless, but the oath a necessity.

This is not a consistent viewpoint, for he is aiding in furthering the furor by printing an editorial such as this. I am most happy to aid in extending this conflict of opinions.

ONE QUESTION, the most pertinent one in the editorial, asked was, "... Why should anyone object to stating that he is a loyal American?" I'm sure no one can object to confirming he is a loyal American, but the point is, why must he do it when he is applying for a loan of this sort?

He most certainly does not sign an oath promising not to participate in "Un-American" activities when he applies for a loan from a bank or finance company. Here he enters into a personal financial agreement. Does he not do the same thing when he applies for a Defense Loan?

FURTHERMORE, is not an oath a reflection of a feeling of insecurity? Is not an oath used to frighten people into a form of conformity?

Turtle Trot gaining fans

What do turtles eat? This is quite a familiar question around Shepard and Morey halls. Turtles have replaced the traditional stuffed dogs in a lot of the rooms. Only they aren't confined to the rooms. Turtle races are held in the smoker, halls and lounges. Watch your step — the life you save may be a turtle's!

WE WENT to the Battle of the Bands Feb. 10 and we still swell with pride when we hear Freddie and the boys. We enjoy the Marinos, but they can't hold a candle to the good ol' WSC Swing Band.

Evon Dougherty, Pat Ryan, Janie Drenckhahn and Marlys Gravenish have forsaken Slater Food Service and Morey Hall for their own housekeeping.

We're adding another couple to our list of engagements. Our congratulations to Sue Gayda and Don Butler.

Santa turned in his traditional sleigh and reindeer to bring Minnesota Hoyt her new black Chevy Corvair this year. It rides like a dream and Sodie's a good driver too.

A-TISKET, a-tasket, anyone for basket-ball? W.R.A.'s getting underway with their winter basketball schedule. It's Tuesday for all those interested.

The do-it-yourself craze has paid off for freshman Marilyn Schroeder. She did it herself with a two-piece navy blue suit. Marilyn flew to San Antonio, Texas, Jan. 21 for five all-expenses paid days. She won this honor by taking first in a district contest at Rochester over 17 girls and first at the state contest at Minneapolis. Marilyn told us that she counted a bullfight, a ranch bar-b-q and a visit to the Alamo among her most memorable experiences. The weather down there? Well, you can be sure it wasn't like this! Our best luck to you in the future Marilyn—how we envied you!!!

Originally, R & K

By Mike McCormick

This is being written shortly after seeing the *Wenonah* Players' production of *Teahouse of the August Moon*. To say that I enjoyed it would be a gross understatement; I thought that it was perfectly delightful.

Everything about it was excellent: Casting, acting, choreography, costumes, and staging. It would be impossible to single out anyone in particular for special mention; to do so would necessitate listing every member of the cast and crew. *Teahouse of the August Moon* presents some peculiar problems, but they were overcome magnificently.

WE AT WINONA State College often take such professional-quality productions for granted. We are so accustomed to the fine work being done by the Players that we don't even notice it. Of course these productions are not completely flawless; I'm hardly naive enough to think that. They are, however, very well done in every respect, with only the minor faults that would be found at almost any level.

This taking-for-granted of things that should be valued and appreciated is, of course, neither confined to Winona State College's appreciation of its speech and drama department nor to the college itself. It is found almost everywhere.

I AM SURE that when the first Neanderthal woman cooked the first hot meal for the first Neanderthal man, the Neanderthal man complained because he was tired

of eating eohippus meat.

We're not that crude; we complain about one comparatively boring assembly program and take completely for granted the privilege of seeing and hearing such artists as the Sal Salvador Quartet. Soon, we'll be out of college, teaching, and complaining because there's "Pream" instead of cream in the faculty coffee lounge. That's progress.

GETTING BACK to my first subject, I would like to congratulate the cast and crew of *Teahouse of the August Moon* for the fine job they did. I would also like to thank them for the enjoyable moments they've given me throughout my four years here. Their work has made my college career a more enriching experience.

I'm looking forward to *The Comedy of Errors*.

Other productions set high standard

To the Editor:

We were surprised and somewhat amused at the statement contained in the story on "Teahouse . . ." in the last issue of the college paper. The statement made by the director, Mr. Reidelberger, who called the "Teahouse of the August Moon" production the "best ever put on at Winona State". The pronouncement came before the actual performance.

This comment seems to us presumptuous and even rash, in the face of such memorable *Wenonah* Players' productions as "Lady Precious Stream," "The Glass Menagerie," and "Hedda Gabler"—or more recently "The Importance of Being Earnest" and "She Stoops to Conquer."

If the director means that his upcoming show will be better than the other two he has directed at Winona State ("You Can't Take It With You" and "My Three Angels") we hope he is right.

Good luck, cast! And watch that head-size . . .

Arch moviegoer selects best films of '59

By Randall Stukel

The Academy of Motion Picture Arts and Sciences will announce its nominations for the coveted "Oscars" on Feb. 22. April 14 is the night the winners will be proclaimed. Here are an arch moviegoer's nominations for the best of '59:

BEST ACTOR: Laurence Harvey, "Room at the Top"; Paul Muni, "Last Angry Man"; James Stewart, "Anatomy of a Murder"; Orson Welles, "Compulsion," and Richard Burton, "Look Back in Anger."

BEST ACTRESS: Audrey Hepburn, "The Nun's Story"; Marilyn Monroe, "Some Like It Hot"; Simone Signoret, "Room at the Top," and both Elizabeth Taylor and Katherine Hepburn, "Suddenly Last Summer."

BEST MOVIE: "Some Like It Hot," "Room at the Top," "On the Beach," "North by Northwest" and "Compulsion."

The winners??? Your choice is as good as mine.

Objects to prices charged in Smog

To the editor:

In my opinion it's about time somebody complained about the service at the lunch counter in the Smog.

Certain members of the staff are very inconsiderate and money hungry. While offering certain "extras" with some dishes, they absolutely refuse to include them in others without charging a sum which is much more than the item is worth.

It is my opinion that this situation and others should be corrected or altered in a way which will better serve WSC.

Cagers win two in row, come close in others

By Larry Engel

Two successive wins have boosted the Winona State cagers to a 6-15 record. The Warriors are, however, forced to assume a spoiler's role in Northern States College Conference play by a 2-6 record. With two conference games remaining, the Warriors could help decide the title picture. An upset of St. Cloud or Mankato or both could make the Warriors the deciding factor.

In compiling their 2-6 loop re-

cord, the purple and white have scored 630 points for a 78.8 per game average. The opposition slipped 649 points into the nets for a per game average of 81.

In the 21 games to date, the Warriors have pushed 1645 points into the opponents' goal for an average of 78 points a game. The opponents have scored 1728 for an 82 point average.

The Warriors' 78 point average is quite respectable. Here it's the same old story—they lack the big man. The quintet needs another rebounder and defensive pivot man. If they had been able to pick up 8 or 10 additional rebounds per game, it might have been enough to turn the tide in many of the close losses they have absorbed.

It's easy to criticize a team and a coach with a losing record, but a little more difficult to do so justly. The locals have put on some pretty good basketball shows this year in spite of their record. Some fine ball players are making their final home appearance against Stout State Feb. 24; let's have a crowd backing the team—win or lose, they'll play an exciting game.

Winona '5' loses to Mankato 100-61

With two games remaining on the year's cage schedule the WSC Warriors have posted a 2-8 NSCC record via a loss to the Mankato Indians 100-61 last week. The defeat was the 16th against six victories. A poor night all around was the reason for the setback.

The loss ended Winona's two game winning streak.

Wednesday, the locals will wind up their home schedule in an 8 p.m. non-loop affair at the hall against the Stout Blue Devils of Menominee, Wis. All ends the following Saturday when Winona bows out against St. Cloud there.

Dubs gain title in Intramurals

Dubs ousted Reds 50-42 in the title game of the annual WSC intramural basketball championship tourney. This game was played Feb. 8, preceding the Warrior-Bemidji cage tilt.

Eight clubs vied for the tourney honors. Upper bracket teams included Bombers vs. Lakers and Dubs vs. Hawks. Lower bracket teams were Reds vs. Aces and Rats vs. Cats. Tourney dates came on the nights of Feb. 1, 2 and 8.

IN FIRST ROUND play the Bombers beat the Lakers 42-37, while tourney champion Dubs laced Hawks 48-35. Reds trimmed Aces 68-33, as Rats won over Cats 41-36.

Second round play matched Bombers against Dubs with the latter squad taking it in a close one 34-31. Reds and Rats went at it in another thriller with Reds coming out on top 30-26.

League play ended up seeing three teams tied for the top spot, all with identical 7-1 records. The cellar-dwelling Cats failed to win a game in the eight loop games.

Curt Hanson's 223 for Queensmen and Dick Bowe's 561 for Bombers led Winona State College Bowling league action last Thursday.

By winning three from Gutter Ballers, Fred's Free Loaders moved into a tie for first place with Winos.

First-round champions were Bombers. They will meet the second round champs to decide the trophy winner.

FIFTEEN HUNDRED fan accounted for the largest crowd ever to watch a WSC wrestling meet at Memorial Hall last Jan. 23.

The basketball-wrestling double-header resulted in a double loss for Winona — St. Cloud swept past the Winona cagers by a record-breaking count of 110-102, and the matmen lost their first home match in more than two seasons as Iowa State, second-ranked in the NCAA, slipped by them 14-13.

Fins edge Pipers; Voorhees 'Pleased'

The Winona State finmen ended their season last Saturday at Hamline in St. Paul. Warrior Coach Jim Voorhees said he was "... relatively pleased with the season. It was a lot tougher than last year. I think, hopefully, we built a good bit of depth for next year."

Saturday's 47-44 win over the Pipers gave the finmen a 4-2 posting for the campaign and left them with a 10-3 mark in the two years that WSC has had swimming, as a full-fledged intercollegiate sport under Voorhees.

The local swimming team dropped its second dual meet of the season a week ago last Saturday at La Crosse State.

The host club lowered two of its old pool marks while ripping the Warriors 68-33. At this point the Gate City squad posted a 3-2 dual meet record, while the Indians upped their standing to 5-1. Michael Hull's pair of firsts in the 220 and 440 yard freestyle events and Dick Theurer's 200 yard backstroke win paced the losers.

SINCE LAST issue WSC ousted the University of Minnesota-Duluth branch 62-32, and lost to Michigan Tech and La Crosse. The Tech meet was a barnburner, going down to the wire to a 44-44 tie until the Huskies pulled it out in the final event, winning 51-44. The Tech group was a good one.

Wrestlers split pair with Lockhaven and Iowa State

Since the two really big meets of the year hosting Lockhaven, Pa. (won by Winona 14-12), and Iowa State (won by Iowa 14-13), the local matmen have been up against relatively "easy pickins'."

In an encounter Feb. 13, WSC under Coach Bob Jones had little trouble shellacking La Crosse State by a score of 30-2. A draw at 191 pounds prevented a blanking of La Crosse.

BERNIE PIEPER, in the thick of enjoying his best season as a matmen, registered the meet's

only pin. He decked his opponent in 4:30. Bern has won nine, lost three and drawn one.

Big Jerry won as usual too. Wedemeier's record is 12-0, ten of the wins coming by pins.

PRIOR TO the La Crosse meet, the matmen had chalked up wins over the University of Wisconsin — Milwaukee 27-3 (Wedemeier pinned a fellow in 15 seconds.) and over Stout 25-3.

Overall, the WSC "rasslers" have compiled a 10-2-1 dual meet standing.

McCARL'S McCORNER

The 'Compleat' Swimmer Primer

By Jack McCarl

Intercollegiate swimming at Winona State and the people concerned with the sport are long over-due for some praise.

This article is intended to stimulate interest in this respect so that the achievements of the varsity swimming program will be heralded on an equal basis with the more popular sports of wrestling and basketball.

IT IS FINE being on par with the other two sports on paper, but the efforts and the grueling pace set by the tankers deserves some of the go-go-go that the fans give the matmen and cagers. Backing of this kind would bolster morale toward the formation of a swim conference which Voorhees and his charges are gunning for.

HERE IS HOW Coach Voorhees explained varsity swimming to us:

An intercollegiate swimming meet constitutes basically four stroke events. These are crawl, back crawl, breast and butterfly strokes.

Required NCAA intercollegiate dual meet events are: The 400 yard medley relay (4 men each going 100 yards in one of the four strokes in order — back, breast, butterfly, and freestyle); 50, 100, 220 and 440 freestyle; 200 yard butterfly, breast and back stroke; 200 yard individual medley; diving and the 400 yard freestyle relay (4 men each going 100 yards.)

IN A DUAL meet each team

Klagge rates 5th in NSCC scoring

Captain Don Klagge of the Warriors is making another spirited bid for a spot on the NSCC all conference team. The hustling 5'10" senior guard was an all-conference selection in the '58-'59 campaign, and he looks like a strong possibility to repeat.

He has hit 46 field goals and 51 free throws for a total of 143 points in NSCC action. This makes Little Don fifth among the conference's leading scorers with a 17.9 point average per game. Don's hit on 51 of 65 free throws for 78 percent.

OVER THE 21 games of the year, the hard working floor leader has shot 72 percent from the charity stripe. His twisting drives and flat jump shots have accounted for 326 points and a 15.5 per game average.

Ken Stellpflug is sixth among conference scorers with a 17.8 average. Jon Kaiser ranks 14th with a 12.8 average.

Could matmen beat 'U'?

A week ago last Saturday, the Iowa State College wrestlers defeated the University of Minnesota's Golden Gopher mat squad by a score of 15-9. Local fans will recall that it was this same Iowa squad that edged the Warriors in a meet here at the Hall 14-13. Would this indicate WSC might give the "U" a close match? Fans, you will recall too that the Peds had a good chance to beat the Cyclones that night. ISC was ranked second in the NCAA at the start of the campaign.

may have two participants in each event, considering relays separate. Each entry may compete in up to three events.

Scoring is 5, 3, 1 in single matches—relays have the winning team getting seven points. A winning school must compile 48 or more of the 95 possible points in the dual meet.

Distances are standard and governed by NSCC rules for dual and championship meets. Special "relay" meets can have varied event distances as the sponsor desires.

The learning of stroke technique is fundamental to the development of a tank squad. Since freestyle is in greatest demand for total depth and since it is also a good basic conditioner, it may be emphasized early in team building. Spit and polish in other swim techniques such as kicking, breathing and starting also is necessary in order to culminate with the swimmers becoming proficient in all areas of swimming. The more proficient gain rank and total squad depth is enhanced.

EVEN EXPERIENCED swimmers cannot achieve winning time without 8 or 12 weeks of pre-season dry-land and in-the-water training. Each of these two types of practice is not a hit and miss proposition of exercise and daily "lap" swimming. Specifically, with the latter practice it is an organized schedule of interval swims, kicks and pulls with variables of goal time, distance, rest and repetition, controlled and progressively made harder as peak in training approaches.

The Warrior poolmen work hard—including a long pre-season training period of two or three hours daily for five or six days a week of regular practice, plus strict eating and sleeping habits, all with the understanding that it may be several years before those with little or no swimming background achieve visible team success.

Nice goin', finmen.

Stellpflug hits 38, but WSC loses 102-99

In a non-conference game played against the Macalester Scots at Memorial Hall Feb. 3, Winona rooters saw their fiery forward Kenny Stellpflug set an all-time WSC individual player scoring record of 38 points.

The sophomore transfer student from La Crosse State and service ball standout edged out the old mark set by Al Svenningson back during the 1956-57 season. Big Al tallied 36 points one night. Macalester won 102-99.

WRA holds five college Sports Day

Five schools participated in the annual Sports Day sponsored by the Women's Recreational Association here Feb. 20. The colleges were Mankato, La Crosse, Luther, Macalester and WSC.

The teams swam and played basketball. Muriel Arnold was general chairman.

WRA BOWLING will start soon. A notice will be posted on the WRA bulletin board. In the meantime, teams should be organized.

Ten members attended a basketball sports day at Mankato State Jan. 22. Girls representing Winona were Karen Voth, Judy Kidd, Nancy Shay, Alice Kaldunski, Margot Anderson, Doris Kamla, Muriel Arnold, Sharen Keller, Dorothy Steffens and Phoebe Beggs.

For President

Landro

Schaper

My name is **Ken Landro**. I am a junior majoring in biology and English.

In seeking the office of president of the student commission, I offer you the benefit of two years' experience with this group. Two years ago I represented the sophomore class on the commission and last year before leaving school served as its vice-president, planning all homecoming festivities.

I believe that greater student involvement in activities on campus will make not only a happier person but a better student.

Tip Schaper: I am a veteran of the United States Navy. I am a member of the Young Republicans and president of the Pioneers Club.

If elected, my main objective

will be to continue our trend toward better student government. I will work for greater unity between the school and student government, with closer cooperation between the students and the faculty. I will continue to work on the improvement of the student voice in government and in getting things done as the students desire. I am sincerely interested in student government and believe that I am qualified to do the job as it should be done.

Treasurer

Miss Feuerhelm

Plitzuweit

Diane Feuerhelm: I am majoring in business education and minoring in Spanish. I am a member of the finance and religious commissions, Interdorm food, homecoming, Who's Who and Warriorette executive committees and corresponding secretary for the Newman Club.

Having been a member of the finance committee, I feel that this has given me valuable experience in understanding and handling financial matters.

If elected finance commissioner, I will strive to find out how the students want their activity money spent. I believe that I can, through experience, best represent the interests of the student body.

Irvin P. Plitzuweit: I am presently a junior majoring in physical science. For the past year, I have been a member of the student finance committee and also a member of Pioneers and Gamma Delta. If elected treasurer, I will carry out the duties and responsibilities of this office to the best of my ability. I feel qualified for this office as I have worked at Sprague State Bank in Caledonia the past two summers.

Social

Miss Aune

Reupert

Karen Aune: In my two years at Winona State, I have become a member of Wenonah Players, WSSA, Radio Guild, chorus and am now an officer in LSA and treasurer of the sophomore class. In high school I was on student council. If elected social commissioner, I will do my very best to represent the students in their choice of assemblies and other social events.

Roger Reupert: In the past years, I have held various similar offices at the University of Minnesota and St. Olaf College before transferring here. At the present I am the secretary of the Pioneer Club.

As social commissioner, if elected, I will strive to promote a greater variety of social events including more co-recreational activities and dances. During the past year, the student government has done a good job in promoting the social activities here at school and, if elected, I will strive to carry on this job with further improvements in the coming year.

Secretary

Miss Gerlach

Miss Lang

My name is **Becky Gerlach**. I am running for the office of secretary of the student commission. My high school experience as vice-president of my class and secretary of the student council my senior year, as well as other offices, has acquainted me with the responsibilities of office-holding and duties very similar to those required in this office. At Winona State I am a member of the Warriorettes and SNEA.

If elected I will do the work to the best of my ability.

Sharon Lang: I am now a junior and during my three years at Winona State College have served in the following extra-curricular activities: Secretary of the sophomore class, secretary of the Dolphin Club and vice-president of the Women's Physical Education Club. Last month I was given the opportunity to work with a discussion group at our student government convention where I saw our student government in action.

I believe that the student government of any college should work for the students of that college and should represent the student body as a whole. If I am elected I will try to the best of my ability to carry out the requests of our student body.

Religious

Ballinger

Vinar

Ralph Ballinger: Activities and organizations in which I have participated include Wesley Foundation, Kappa Delta Pi and SNEA. I have served on the religious commission, giving me a knowledge of the activities and duties involved.

If elected religious commissioner, I will strive for further cooperation between the religious groups throughout the year, and I will try to improve Religious Emphasis Week. As a student commission member, I will work for the interests of the students and of the college.

Jim Vinar: At the present time I am serving as freshman class president. I am a member of the student commission, LSA and also the WSC basketball squad. My major is business education and my minor is physical education.

If I am elected I will put forth my best efforts in fulfilling the position of religious commissioner. I will do my best in keeping good organization of the various religious groups on campus and also good cooperation among them. I will stress Religious Emphasis Week and try to improve it to make it a successful annual event on campus.

Speech Festival here March 10

The 1960 District III Speech Festival will be held Thursday, March 10, at Winona State College, under the direction of Mr. Jacques Reidelberger.

Attending will be 200 high school students and speech directors from the 15 high schools in District III.

COMPETITION will be in seven

For Vice President

Clarence Crum: The big job that the vice-president has to handle is the annual homecoming celebration. In 1959 I was chairman of the centennial homecoming parade and as a member of the committee for homecoming I became familiar with the problems that are involved in this job. If I am elected I will do my best to make 1960-61 the best year the school has ever had.

Organizations I am in are: Wenonah Players (head technician), Winona State Speech Association, Dolphin Swim Club vice-president, Radio Guild president, swimming team manager and member of Who's Who.

Publicity

Miss Adams

Slifka

Ginny Adams: Before coming to Winona State College, I attended St. Paul Park High School. During my years in high school I participated in publicizing many activities and events and served as art editor of the school paper.

Here at Winona, I was publicity chairman for Homecoming Queen Daisy Morikami, head of the poster committee for Winter Carnival and helped with publicity for the 1959 prom and Christmas Dance. I am now a sophomore majoring in art and elementary education.

If elected, I will do my best to increase student and public interest in the activities of the student commission.

Margery Rand: Take one paint brush, a color-filled palette, some paper, a degree of creativity plus time, and you have the essentials for a poster.

Miss Rand: The present publicity commissioner. With this past year as experience, I would feel qualified, if elected, to continue serving and informing the student body of special activities and events.

During my two years at Winona State, I have been working for elementary art major. This year I have been a member of Kappa Pi, and I am the art editor for the yearbook, the Wenonah.

Bob Slifka: My extra-curricular activities include: Chairman of queen's homecoming float, Dolphin's dance, royal competition of Winter Carnival and vice-president of Richards Hall. Also I am a member of the Pioneers, Kappa Pi, Industrial Arts and the social committee.

If elected, I will work to the best of my ability to keep the students informed of the activities of the student commission and campus activities. I firmly believe that the students need a better system of being informed of college activities before they occur.

categories: Humorous interpretation, serious interpretation, original oratory, oratory discussion, extempore manuscript reading, extempore speaking, and pantomime, one-act play.

Judges for the festival will be from the staff of the department of speech and dramatic art of the University of Minnesota.

Cleveland

Crum

Ron Cleveland: I am presently active in the following organizations: Newman Club (information chairman for the national convention, staff member of Newman News, 1959 homecoming chairman), Wenonah Players, college chorus, Winona State Speech Association, Radio Guild (traffic manager), Young Democrats (chairman), Mason Music Club, SNEA (a program chairman) and student representative to the assembly committee.

Cooperation (especially with the president), utilization of human resources and an awareness of student needs are essential to the efficiency of a person in the office of vice president of the student commission.

Athletic

McCartney

Sullivan

Jerry McCartney: I am a junior majoring in industrial arts. I am a member of the swim team, Dolphin Club, Pioneers and "W" Club. I have an interest in all sports and if elected will try to improve school spirit. I will carry out the duties of this office to the best of my ability.

James Sullivan: During my two years in school I participated in football. I am a member of the "W" Club and the Pioneer Club.

If I am elected I will try to promote a better intramural program that the student body as a whole can take a more active part in. I will also try to improve on the present programs during the coming year.

Administrative liaison

Johnson

Tobias

Norman Johnson: I am now a junior at Winona State, majoring in mathematics. I have participated in intramural sports and am a member of the Pioneers.

I believe the student body of WSC should be provided with a health insurance plan in addition to the health benefits already given. If enough students were interested in a plan such as this, rates could be provided which would be cheaper. This would be highly beneficial to married students because it would be a form of group insurance. This is one of the things I would strive for; in addition, I would represent the student body to the best of my ability.

I. DeWayne (Tobe) Tobias, a sophomore, majoring in science, have been nominated as a candidate for the office of administrative liaison. I presently am an active member of the Newman Club and Science Club.

As a candidate I promise to try and uphold my position to the best of my ability if elected.

Departmental

Cameron

Fitzgerald

Robert Cameron is my name, I seek the office Of departmental commissioner. A novice

Am I, but I'll do my best for you.

My only Qualification is my interest in the Operation of our student government. My

Platform is simply to try to keep the same high

Standards of our present commission. I'd like to

Add that both Joe and Dave will work hard for you, too.

Joe Fitzgerald: This is my junior year at Winona State and I am an active member in nine student organizations. These include: Radio Guild (officer), Mason Music Club (officer), Newman Club (executive committee, business manager of newspaper), swing band, SNEA, band, Wenonah Players, chorus and Winona State Speech Association. I am also a student representative on the assembly committee.

I feel that participation in student organizations is a very important part of college life and therefore presume I am well qualified to act as a representative of student organizations on the commission.

Dave Rislove: If I am elected to represent the student body as departmental commissioner, I will do the very best I can to improve and maintain

Rislove

this office and all the associated activities. I realize fully the importance of this office in the student government, and I am very willing to assume the responsibilities and obligations that I will meet.

My activities are the following: Chemistry major and mathematics minor, football, track, intra-mural sports, Republican Club, Pioneers, and "W" Club.
